### Online CAD Students:

Here are the procedures for getting onto the E-mail system you are REQUIRED to use while enrolled in the Online CAD class.

Using internet Explorer, go to [www.gaggle.net](http://www.gaggle.net)

At the login you need to put in your username and your password.

Your Username is in this format:  
first name.last name.ccs

Example:

**john.smith.ccs**

And your password is typically your middle name (or your first name if you go by your middle name).

Your e-mail address is:  
first name.last [name.ccs@gaggle.net](mailto:john.smith.ccs@gaggle.net)

Example:

**john.smith.ccs@gaggle.net**

After first setting your account, please send me an e-mails, so I can make sure your account is working correctly. Thank you.
