## ***Want exceptional quality childcare for a discounted rate?***

As an employee of the Carroll County School System, you can have it! You can receive premium childcare at a reduced rate because of your employment with Carroll County Schools. The Child Development Center of Carroll County Schools offers a curriculum based on Animated Literacy to ensure your child has the necessary skills to be successful in school. Special attention is given to make all activities developmentally appropriate. Your child will have a fun-filled day of learning activities with one-on-one attention from our caring staff and students.

The Child Development Center is located on the Technical Education Center's campus and serves children from 6 months to 5 years of age. The beginning of our school year coincides with your pre-planning schedule. The Center will be open from 7:30-4:30 during preplanning, post-planning, and teacher workdays. On other work days, the Center will be open from 7:00-5:00 Monday through Friday. The Center follows the same schedule as the Carroll County School System for holidays and inclement weather.

Registration for new children for all classes is \$35.00 and is paid upon enrollment. Please understand that the registration fee is non-refundable, since it is used to purchase supplies in advance for your child. Tuition is one hundred dollars (\$100.00) a week or three hundred ninety dollars (\$390.00) a month. In consideration of the hardships imposed by the current economic climate, we have two options for reserving a spot for your child: (1) You may pay the \$35.00 registration fee and a minimum of one week's tuition by May 29<sup>th</sup>, or (2) you may pay August's tuition in full by May 29<sup>th</sup> and receive a fifty dollar (\$50.00) discount for the month of August. We will also discuss other payment options with you if needed.

Registration can be done most any afternoon after 3 pm. Appointments for registration can also be scheduled throughout the day as needed. For further information or to schedule an appointment to register, please contact Jonni Failing at 770-834-5300 or 770-832-8380.
